the soul sanctuary

The intention of the Soul Sanctuary is to inspire individuals who are ready to become more esteemed, confident and empowered.

Through a variety of resources and programs, participants are supported in finding strategies to help them navigate their way to achieving their goals and aspirations.

The programs are designed to be interactive and thought-provoking, thus encouraging individuals to tap into their innate resourcefulness and creativity.

The space provided is cozy and comfortable. It promotes a relaxed and intimate environment conducive to learning, as well as building fellowship with other participants.

testimonials

"Thank you for all of your encouraging words... you inspire me. I have appreciated all of your insights".

J. Brierley, Perth, Ontario

"What a positive impact you have had on my life! Your passion and insight have helped me to realize my inner greatness. I am now attracting what I really want in life, instead of what I don't want."

L. Hamel, Ottawa, Ontario

"The coaching experience has been amazing. I was able to recognize deep issues that I was carrying around. It was wonderful to simply become aware and start doing different things to change my life... it felt like a big load off my shoulders."

L. Grant, Burlington, Ontario
